

### Common Mode Choke

### PTL633 Series

#### Parameters/Dimensions:

PTL633 Type 1

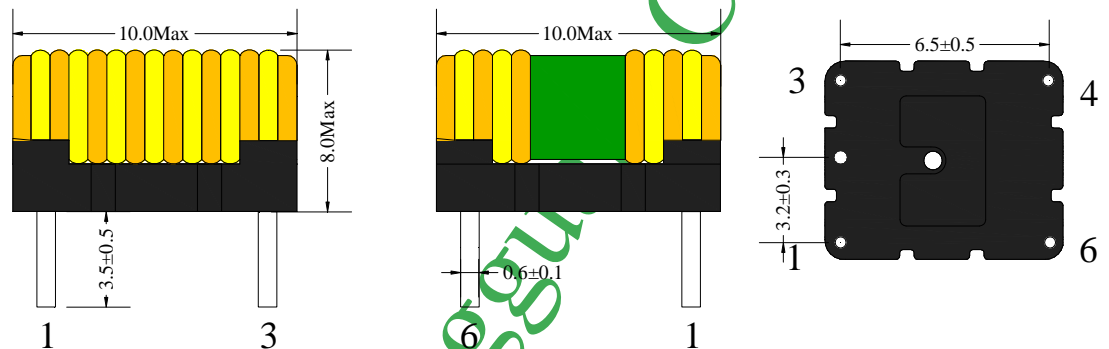

#### Information:

Shape:T6\*3\*3

1 Mounting Orientation: Horizontal

2 Size:10(W) \*10(L) \* 8 (H)

3 Material: Zinc fierce high conductivity

#### Note:

Core Material: Zinc fierce high conductivity

#### TL6\*3\*3 series Common Mode Choke features:

Small size, easy installation, low temperature, high efficiency.

#### Uses:

For T5 / T8 / T10 fluorescent tubes built-in power supply, With EDR series transformers.
